Description: COURAGE WEARS MANY FACES The Civil War may be over, but for twelve-year-old Will Page, the pain and bitterness haven't ended. How could they have, when the Yankees were responsible for the deaths of everyone in his entire immediate family? And now Will has to leave his comfortable home in the Shenandoah Valley and live with relatives he has never met,...

Review: We bought this to use in our Civil War home school curriculum. The kids are old enough to read it on their own this year. I read it so that we would be able to discuss it when the time comes. It is excellent! It takes place after the Civil War has ended. It explains varying views of those in the South. It has great character lessons, sharing and forgiveness....
